| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| CRS Exam | | | |

To become a Certified Research Specialist (CRS), you must complete 28 CRS contact hours. There are 24 hours of required courses and 6 elective hours.

You may count classes offered by other programs toward your CRS elective hours; however, these must be approved by the Compliance Education Specialist.

Classes can be taken in any order to fulfill requirements for the program, but the CRS Exam should be the last component of the program.

If you have any questions, please feel free to call 501.526.6879 or 501.686.6082 .
